FOR INTERNAL CHATBOT & RAG SYSTEM USE ONLY

1. Hospital Policies & Protocols

1.1 Inpatient Admission & Discharge Policy

All planned admissions require prior registration at the Central Desk in Building A. Patients must carry government ID and the advising doctor's admission slip.

- **Deposit Rules:** A refundable security deposit is mandatory for non-insured patients: INR 15,000 for General Wards, INR 30,000 for Private Rooms, and INR 50,000 for ICU/Surgical admissions.
- **Discharge Cut-off:** The standard discharge time is 11:00 AM. Discharges initiated after 2:00 PM will incur a half-day room rent charge. The final billing process takes approximately 3 to 4 hours after the doctor signs the discharge summary.

1.2 Health Insurance & TPA Cashless Claims

We are empanelled with all major Third-Party Administrators (TPAs) including Star Health, HDFC Ergo, ICICI Lombard, and Care Health. For cashless processing:

- Pre-authorization forms must be submitted 48 hours prior to planned surgeries.
- In emergencies, the TPA desk must be notified within 24 hours of admission.
- Non-medical expenses (consumables, registration fees, dietary supplements) are generally NOT covered by insurance and must be paid out-of-pocket (Copay) at the time of discharge.

1.3 Visitor & Attendant Protocols

Ward Type	Visiting Hours	Attendant Policy
General / Twin Sharing	4:00 PM - 6:00 PM	One attendant pass issued.
Private / VIP Suite	10:00 AM - 8:00 PM	One attendant may stay overnight.
ICU / NICU / CCU	11:00 AM - 12:00 PM & 5:00 PM - 6:00 PM	No overnight attendants allowed. Strict PPE required.

2. Infrastructure & Room Tariffs

Room tariffs are charged on a 24-hour cycle from the time of admission. Tariffs include nursing charges and standard patient diet (customized by the clinical nutritionist).

Room Category	Per Day Tariff (INR)	Amenities & Description
General Ward (6 Beds)	1,500	Central cooling, shared washroom, curtain separators, central oxygen.
Twin Sharing Room	3,500	AC, TV, attached washroom shared between two patients, attendant couch.
Single Private Room	6,500	AC, TV, attached washroom, wardrobe, attendant bed, mini-fridge.
ICU (Intensive Care)	12,000	1:1 Nursing ratio, multi-para monitors, ventilator support on standby.
NICU (Neonatal ICU)	10,000	Incubators, phototherapy units, specialized pediatric nursing.

Important Billing Note: Procedure and doctor visit charges scale with the room category. A surgeon's fee in a Single Private Room will be 1.5x the fee charged in a General Ward.

3. Clinical Departments & Procedures
